

The Woman's Club of Paramus  
Palisades District  
October 2011

Hello Ladies!

It was so nice to see everyone's smiling faces at our September meeting! Now that we are in full swing, we hope to see even more of you at our October meeting! We will have a wonderful program: Don Torino from the Audubon Society. You will be amazed how many different species of birds are in our area! As always, guests are welcome!

If you haven't purchased your \$5 Lord & Taylor Savings Pass yet, please call Shelley Rothstein. It is a wonderful shopping day and the savings are terrific!

Please join us and bring your friends to our Casino Night October 21, 2011. Tickets are still \$35 and the prizes are fabulous again this year! Please call Dawn Philibosian or Bonnie Rickenberg for tickets! Naturally they will have them at the October general meeting, but keep in mind we did sell out last year! Also consider purchasing a Mega Raffle Ticket for \$100 call Marie Sullivan 201-261-4374. This is an exciting raffle to be in, as it is drawn during Casino Night. Last year's winning ticket was bought by a member and she was so surprised to have had her name called out! Friends and family can share the cost and be in on the fun! Let's have everyone's support this year!

The Performing Arts Department performed at The GFWC Middle Atlantic Region Conference on September 16. It was great fun meeting other clubs' performers, and cheering for each other's performances. This kind of camaraderie is just the reason we should try to get out to our meetings, Palisades District meetings, and certainly The State Functions.

Our quote for the month is by Peter Marshall.

**Small deeds done are better than great deeds planned!**

All the planning in the world will do nothing without your support ladies. Each donation you make, however small helps all our events be successful ones! Every event you come to, helps us grow in friendship during the fun times, keeping us strong and resolute in the rough patches of life. This *sisterhood* is the bond that keeps us together! Thank you again for your continued support to our wonderful club!

Sincerely,

Marie

*The Executive Board Meeting will be held on  
Tuesday, September 27th at 7:30 at our Clubhouse*
